

Privacy Policy of www.venturelab.in

This privacy policy statement applies to **www.venturelab.in** only. It does not apply to information collected and stored by a means other than this website.

Privacy of Personal Information

Out of respect for the privacy of its users, Venturelab's website (www.venturelab.in) refrains from obtaining personal information from users without their explicit consent, other than as described below.

The Venturelab website, either directly or through a third-party vendor stores the Internet protocol (IP) address of your computer, the browser software and operating system used, and the date and time of your visit.

This information is used by the Venturelab to understand which countries the users of the website visit from, when they visit, and other information about how users access the website. The intention is to inform analysis about how to improve and develop www.venturelab.in. The Venturelab also monitors network traffic to identify unauthorized attempts to upload or change information or to otherwise cause damage to the site.

Venturelab does not distribute, sell or rent any personal information collected via its website. This is also true for personal information (for example, email and postal addresses) sent to the website's email addresses. The Venturelab does not send unsolicited emails to users of its site. The transmission of personal information entered via the site's registration forms is protected by security features.

Policy on Cookies

The Venturelab website uses persistent cookies (text cookies). A persistent cookie is a file that might contain user personal information. It is stored on a user's computer. The Venturelab website uses persistent cookies to understand which pages on the website are popular, and to recognize repeat visitors. Your browser software should permit you to disable the use of cookies, if you do not want the Venturelab website to collect this information.
